## President's Report

The E30FB guys have requested a copy of our Logo to put on their QSL card. That is a card that will get a lot of exposure and it will be great to see our Logo there.

I hope that all the contesters had fun in the Michigan QSO party last month. I was one of two stations operating from Kalkaska. The other was native Kalkaskan NM8R who always gives me a hard time (all in fun) about trying to steal his county.

Do not forget that Club Elections are coming up next month. Being a club officer is not a hard job, so think hard about filling one of the positions for a year or two.

I have been asked about what DXPe-ditions we have sponsored in the past, so Brad and I came up with the following list of the past few years of sponsorship.

### Program

Gerry, K8GT, introduced Pete, K8PGJ, who operated from Bora Bora as FO/K8PGJ in mid-February this year. He left minus 10 degree WX for 90 degree temps. This was a vacation that included SCUBA and site seeing, but left lots of time for Ham radio. He used a 100w K-3 with a modified Buddi-Pole at a resort providing huts over water. He experienced very good conditions and managed to work several SEMDXA members. Great trip and nice slides.
