position.

So fellow SEMDXA members, now is the time to dig deep down into your inner circuits and be prepared to offer your name and callsign to be nominated to the prestigious position of President of SEMDXA! Radiate your talents. Don't be a dummy load!

Don't let SEMDXA go dark again as it did a few years ago because no one was willing to step up and volunteer. These positions do not require much work at all. Remember fellow members, no leadership, no meetings, no presentations, no camaraderie.

The presentation of the evening was "Sand, Surf and Friends... DXing at T32". Fresh from its successful premier at the Visalia DXconvention, Ted T32TR described the trials and tribulations of DXing from a forsaken Pacific Island. Exotic symbols and dancing girls were also be featured!

Respectfully submitted:  
Lee

## DX 100 Most Wanted List

DX Magazine ceased doing surveys for the 100 Most Wanted in 2015. Clublog has effectively replaced them. In April 2016 DX Magazine posted on their website a snapshot of the then current top 100 of the Clublog Most Wanted List.

This article is based on that webpage and the prior 7 years of annual DX Magazine surveys of 100 Worldwide Most Wanted. DX Magazine survey's were done in September/October of each year and generally printed in their magazine in January/February of each new year.

Below are two summary tables, one of removals from the most wanted list

and the other additions. A zero in the table means the country was not on the list for that year.

The full listing of the top 100 Clublog Most Wanted List is included on the next two pages. Chet, **K8YTO**
