## October Minutes

Meeting Minutes  
Of October 14, 2016

The meeting was called to order promptly at 7:30 pm by newly elected president Ted K8AQM. There were 30 members and guests present.

Brad N8SNM presented the Treasure's report. The report was approved by the membership present.

The Secretary's report as written in the LongPath was approved by the membership present.

There was a donation request by the VP6EU group for a 2017 DXpedition, but they did not meet our membership criteria as a top 25 in our group. It was 125.

Pete K8PGT will be with the PJ2T contest group for the CQWW SSB contest.

Our meeting for **November will still be held at Jimi's in Royal Oak. Our featured speaker will be Mike K9AJ and will share his VP8 experiences with us.**

Our December meeting is our annual Christmas celebration at Zukey Lake Tavern. See the LongPath for further details.

The search for our new meeting location continues on. Some of the places researched so far are National Coney Island at 12 Mile and Main, Mr. B's (\$450 food and drink minimum necessary), Lockharts BBQ, any night except for Thursday, Friday, or Saturday. Dave K8ESQ will check on the availability of Pasquale's Royal Oak (on Woodward). The November meeting most likely will be our last one at

Jimi's because they are upgrading their format to a sports bar.

Old Business: There was some concern expressed by some of our members in the past that perhaps we send our donation to expeditions too early. In case their plans fall through, we may lose our donation. This was the case for the upcoming Bouvet DXpedition where our donation hat was passed but the funds held till a later date TBD. At the W9DXCC convention, a DX funding seminar was presented and basically all transportation, licensing, trip supplies must be purchased and paid for in advance. There is no credit offered to these expeditions.

Dave K8ESQ made a motion that our donation funds be transferred to the Bouvet organization immediately. The motion was seconded and passed by the unanimously by the membership present. The hat was passed again and an additional \$168 was added to our previous donation.

It was reported that at the W9DXCC convention, two of our members won a major prize. Dave K8ESQ won a Flex Radio Maestro console and Lee N8LJ won the main prize a Yaesu FTDX 3000. Congrats to our lucky members.

The presentation of the evening was by Roger W8IO, past antenna designer at High-Gain Antennas.

Meeting adjourned 8:52 pm.  
Respectfully submitted

Lee N8LJ

## Prez Sez

The October meeting was held at Jimi's as will be the November meeting.

The hat was passed again for the Bouvet Expedition and we're all getting excited for that needed entity to come up on the bands.

As I write this I'm anticipating the upcoming CQWW SSB Contest and hopefully find a few sorely needed band countries. I'm closing in on 300 for 40m but it's tough to find a new one these days on that band. Hopefully the propagation will favor the event and a "new one" will find its way into my 40m log. On other bands TL0A, S9YY and H44GC are in the log this month. The future VP6EU expedition wrote requesting a club donation but they do not meet our "most needed" requirement for club support. A letter was sent thanking them for their offer.

Discussions took place regarding where to relocate to with several ideas offered by Mike WD8S who contacted his Madison Heights City Hall and Chamber of Commerce.

Hamlin Pub...has a back room

Master...on 13 Mile and Dequindre, higher price but also have a back room

Sinbad's...on 14 Mile near John R has a basement but is now Asian food but should change soon

Star Restaurant...Madison Heights  
John R south of 11 Mile, side room, cheaper, no closed door.

Dave K8ESQ is checking into Pasquallie's in Royal Oak.

Roger Cox W8IO, presented a program on antenna design. Good work Steve in securing the program

Hope see you all November 11 at Jimi's

73,  
Ted K8AQM

Please bring your information to the next meeting.

Folks,

We're down to our last meeting at Jimi's and then the annual Christmas meeting at Zukey Lake, but what about January and the months following?

At this point we have no meeting site. As I see it, everyone thinks the best place for a meeting is in the Royal Oak-Southfield-Madison heights area and still meeting the 2<sup>nd</sup> Friday of the month. As mentioned above we have several restaurants offered as options.

The major issue is many of us do not live in these preferred areas and don't know of the local restaurants. So it seems obvious someone familiar with the area needs to step-up and investigate the areas if meetings are going to continue.

Of course these aren't the only places we can consider, if you have an idea please step up.
