SEMDXA NEWSLETTER

April 2016

March Meeting Minutes

The meeting was called to order by President Dave, **K8ESQ**, at 7:00 pm. There were 17 members and 5 guests in attendance. The meeting minutes from the February meeting were approved.

Treasurer, Brad, **N8SNM**, reported the January checking account ending balance was \$1527.98. February deposits were \$60.00 and the ending balance was \$1587.98. The PayPal ending balance was \$41.00.

President Dave mentioned the following:

The **T32** Christmas Island DXpedition team will end activation on March 14.

Heard Island, **VK0EK**, is scheduled to start March 20.

Juan De Nova, **FT4JA**, start date is March 29.

Dayton Buses – Ann Arbor and USECA each have a bus available for a Dayton one day trip.

June SEMDXA elections: Volunteers are needed to run for office. Program Director, Gerry, **K8GT**, and President, Dave, **K8ESQ**, will not be running for re-election.

There was no other business.

Gerry, **K8GT**, introduced Pete, **K8PGT**, who gave a brief presentation about his January 2016 trip to the Cayman Islands, **ZF2PG**. After Pete's presentation, Gerry showed a DVD about DX operations from Aland Island, **OH0**, and Market Reef, **OJ0DX**.

This was an interesting DVD as it was not in English yet gave a very good

view of the operation and included a good tour of Aland Island.

The meeting adjourned at 7:48

Presentation:

ZF2PG, Cayman Islands

For those who could not attend the meeting, Pete, **K8PGT**, gave a brief but thorough presentation.

He enjoys going to the Caymans for a number of reasons:

- Vacation with family
- Friendly people including an annual party
- Scenery, weather, scuba diving, and golf

- ZF1A** club station use
- Participating in the NAQP SSB contest with a top 10 finisher goal (which he met)

Casual holiday stay operation
The **ZF1A** club has a full complement of equipment and antennas, including a 17 element log periodic 40 thru 10 meters at 95 feet, and Mosley 67C at 55 feet and a six meter beam. Pete brought his own 100 watt K3 transceiver with him as he prefers not to use other peoples' equipment. He ran 100 watts during his stay. Overall he made 2884 QSO's for the 6 day trip.

While he had prepared a propagation plan for the contest, conditions varied, with 10 meters being much worse than he expected.

Also, he was disappointed with top bands and only had 3 QSO's on 80 meters. Reception was a real problem.

Next year he plans to take a shared apex loop receive antenna

Pete publishes information about his

Calendar

2015/ 2016 Meeting Dates

All meetings unless otherwise noted are at Jimi's Restaurant, (downtown Royal Oak across from OCC)

Map with directions at

<https://www.google.com/maps/@42.4841826,-83.1467062,17z?hl=en>

Gathering starts at 5:30 pm (dinner on you) and meeting begins at 7 pm followed by the presentation.
